

ATV in Ossau Valley

16 ATV loops are made.

Distributed in 4 levels, they cover the entire territory of the Ossau Valley (except for the core area of the National Park).

Each loop is the subject of a downloadable form, in French only.

1. (Niveau 1): [Croix de Buzy/Bescat](#)
2. (Niveau 1): [Le Turon de Técoùère](#)
3. (Niveau 2): [Gave d'Ossau départ Arudy](#)

1. (Niveau 3): [Plané d'Assiste/Granges de Gère](#)
2. (Niveau 4): [Boucle de Lazerque](#)
3. (Niveau 4): [Cambeilh](#)
4. (Niveau 2): [Boucle des 3 villages](#)
5. (Niveau 2): [Port de Castet](#)

The big passes : Aubisque, Marie-Blanque, Pourtalet..

Circuit of 95 km with a height difference of 1677 m. This course includes two mythical passes that are Soulor and Aubisque. The climb from Ferrières is sloping with passages at 9% and an average of 8%. Then it is the descent into the magnificent Litor circus before making a climb of about 5% to the summit of Aubisque. The last 3 km are at 8%. Small gearing recommended (28x24 for example).

Marie Blanche Pass.

Starting from the campsite, Arudy, you will cross the Bager's forest, then after Escot (25th km). You will attack the Marie Blanche pass 9,5km à 7,5%. Descent through the Benou Plateau and back to the campsite taking the famous Louvie Juzon coast. Total 55 km.

- Pourtalet Pass : you start Camping the Rey, direction Laruns.
- Pierre Saint Martin Pass : you start Arette.
- Issarbe Pass : you start Lanne en Barétous
